House cleaning tips:

Did you know that your general 50 cent box of baking soda can be a great inexpensive way to clean and deodorize many areas in your home?

**Sprinkle baking soda onto a damp sponge to clean grimy bathtub rings and counter tops.

**Sprinkle in the bottom of trash cans every time you change the bag to prevent odor.

**To prevent clogged drains, pour 1/4 cup down drains weekly and rinse with hot water.

**To remove scuff marks and grease spots from floors, sprinkle soda and wipe with warm, damp cloth.
