Community Service Form

According to your lease agreement with the Mexico Housing Authority you are required to do 8 hours of community service per month. If you have any questions or concerns on this matter you may contact us at 573-581-2294.

Section 512 of the Quality Housing & Work Responsibility Act of 1998 requires residents of public housing who are not employed, not elderly, not disabled, not participating in an economic self-sufficiency program, or exempt for this section, to contribute eight (8) hours a month community service to continue to be eligible for public housing occupancy.

Should any resident not complete the 8 hours a month community service or should they provide false information, their lease will not be renewed unless they enter an agreement to cure the deficient number of hours. The Mexico Housing Authority is prohibited by law from renewing the lease with families when an adult member (anyone 18 years of age and older) is not in compliance with their community service requirement. If you or anyone in your family is a person with disabilities, and you require a specific accommodation to fully utilize our programs and services, please contact the housing authority.

I _____ certify that I have completed 8 hours of community service for the Month of _____, _____ (year).
