PROGRAM REMINDERS.....

1. The HAP contract provides rental payment assistance from HUD via Mexico Housing Authority. If you have problems with a resident or with a landlord, those are not normally problems that can be solved by MHA. You will need to work together as a landlord and resident towards that conclusion.
2. Residents must follow all City of Mexico codes concerning yard maintenance, pets, trash, vehicles, etc. MHA does not get involved in these areas.
3. If you have problems with your dwelling, please contact your landlord for resolution. MHA will inspect if there is an emergency issue that is not being addressed. Otherwise it is the landlord's responsibility to keep their property maintained in accordance with HUD guidelines.
4. Any time a rent adjustment is needed, be sure to bring employment verification to our office for timely processing.

Getting Ahead classes are provided to radically change lives by identifying and overcoming barriers that are keeping investigators (participants) in poverty. Participants are exposed to new ways to think about resources, solving problems and building relationships.

Our annual HUD Strong Families event was held on July 1, 2022. The weather was great and we appreciate all the organizations and businesses who took the time to join us as well! Head Coach of the LA Clippers, Tyronn Lue, stopped by too!!
