April is FAIR HOUSING month....

In April of 1968, President Lyndon B. Johnson signed into law the Civil Rights Act of 1968, also known as the Fair Housing Act. This important legislation codified equal housing opportunities for all, regardless of race, religion, or national origin.

Our mission is to create strong, sustainable, inclusive communities and quality affordable homes for all.

both programs. Brandi is always willing to take on any of our in-office IT troubleshooting work that most of the rest of us don't have the patience to do. Brandi is reliable, dedicated, and is always willing to do the research that it takes to complete any task. MHA is grateful to have Brandi as part of our team!
