PRESS RELEASE

Unlimited Fishing at Lakeview Park Lake

The City of Mexico will be draining Lakeview Park Lake this summer to replace a culvert on the upstream end of the lake along Fairground St. The lake will remain drained for several months to support drying prior to the contractor, Sam Gaines Construction, beginning work in November/December of this year. The Missouri Department of Conservation has issued an Emergency Fish Salvage Order to minimize the waste of fish when the lake is drained. Unlimited fishing, in compliance with the Emergency Fish Salvage Order (available on the City of Mexico's website at www.mexicomissouri.net), will be allowed on Lakeview Park Lake May 10, 2025 through July 31, 2025. Siphoning of the lake is anticipated to begin by the end of June and is likely to take over a month to complete.

If there are any questions about this project, please contact the Public Works Department at 573-581-2100 ext. 315.
