4.9 Late Submissions or Modifications of Offers

- Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered.
- A modification resulting from MHA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by MHA after receipt at MHA.
- The only acceptable evidence to establish the time of receipt at MHA is the time/date stamp of MHA on the offer wrapper or other documentary evidence of receipt maintained by MHA.
- Notwithstanding this provision, a late modification of an otherwise successful offer that makes its term more favorable to the MHA will be considered at any time it is received and may be accepted.

4.10 Evaluation of Proposals

- MHA will strive to complete the review and negotiation processes and award a contract within fourteen (14) days after the scheduled opening of proposals. The following procedures will be followed:

- The Selection Committee will individually perform initial assessments of all proposals to determine which firms are responsive and qualified to provide the required services, thus creating a “short list” of 5 qualified firms. The “Initial Evaluation” form will be used for this stage of evaluation. Detailed narrative will support any decision preventing a firm from advancing beyond this stage.
- The Selection Committee will use the “Proposal Evaluation” form to individually score the qualified firms (the “short list”). All scores will include detailed narratives, documenting evaluation rationale.
- The “Proposal Evaluation” forms will be combined and the firms will be collectively ranked according to the summation of the scores. The Selection Committee will meet to discuss the results and proceed as follows:
 - The Selection Committee will invite key personnel from the highest ranked firm to conduct a comprehensive presentation (or phone conference) with the Committee.
- If, after the presentation, the Committee continues to agree that this firm is most qualified to provide the required services, a negotiations process will follow.
- If negotiations produce results that are advantageous to both parties, MHA will enter into contract with this Firm.
- If mutual terms cannot be established with the firm of choice, the Selection Committee will reconvene to discuss options.
 - If there is not a significant gap between top ranking firms, with the Selection Committee’s consensus, more than one firm may be invited to present comprehensive proposals.
- As a result of these presentations the Selection Committee will determine which firm is most qualified to provide the required services, and a negotiations process will follow.
 - If negotiations produce results that are advantageous to both parties, MHA will enter into contract with this Firm.
 - If mutual terms cannot be established with the firm of choice, the Selection Committee will reconvene to discuss options.

Each respondent is cautioned that it is their responsibility to address information related to the Evaluation Factors outlined below, during the question-and-answer conference. MHA has no obligation to solicit such information if it is not included within the respondent’s presentation.

4.11 Responsibility of Prospective Contractor

- MHA shall award a contract only to a responsible prospective offeror who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must:
 - Have adequate financial resources to fulfil the contract, or the ability to obtain them.
 - Have a satisfactory performance record.

- o Have a satisfactory record of integrity and business ethics.
- o Have a satisfactory record of compliance with public policy (i.e. Equal Employment Opportunity).
- o Have not been suspended, debarred, or otherwise determined to be ineligible for award of Contracts by the U.S. Government. Current lists of ineligible contractors are available for inspection.
- Before an offer is considered for award, the offeror may be requested by MHA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide additional information may render the offeror ineligible for award.

4.12 Qualifications of Prospective Contractor

MHA may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services and the offeror shall furnish MHA all such information and data for this purpose as may be requested. MHA reserves the right to inspect the offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. MHA further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror is not properly qualified to carry out the obligations of the contract and to provide the services described therein.

4.13 Negotiations with Selected Offeror

Once the evaluation process is complete, MHA will negotiate with the highest ranked offeror. The negotiations may include clarifying the specific statement of work, establishing the performance period, and determining the final cost of the statement of work. If MHA and the highest ranked offeror fail to reach an agreement, MHA may negotiate with the next highest ranked offeror, unless MHA determines that it is in their best interest to re-solicit for these services.

4.14 Contract Award

A contract will be awarded to the most responsive and responsible firm, which is most advantageous to MHA, provided the proposal complies with all conditions of the RFP. MHA reserves the right to reject any and all proposals and to waive any informality in the solicitation. MHA is prohibited from making an award to firms (including their subcontractors) or individuals that are debarred from receiving awards from the U.S. Government.

4.15 Service of Protest

Any protest regarding the award of a contract pursuant to this solicitation shall be served to the MHA by obtaining written and dated acknowledgement of receipt from MHA at the address shown on the cover of this solicitation. The determination of MHA regarding such protest or to proceed to award notwithstanding such protest shall be final unless the protestor makes an appeal.

4.16 Notice of Award

All offerors will be notified by mail of MHA's selection. The successful offeror will be issued a Notice of Award. Within five (5) business days, the offeror shall provide the following documentation:

- Proof of the appropriate insurance coverage:

- Commercial General Liability - \$1,000,000 each occurrence / \$1,000,000 Aggregate with MHA listed as the certificate holder.
 - Workers Compensation & Employers Liability – Statutory Amount (Mandatory) in accordance with the State of Missouri Worker’s Compensation laws.
 - Comprehensive Automobile Liability for any vehicles used (owned or non-owned) on site or in connection therewith for a combined single limit for bodily injury and property damage of not less than (\$300,000.00).
- Evidence of the appropriate professional licenses as required.

If the selected offeror fails to provide the required information, the Notice of Award is invalid. MHA may choose to award a contract to the next highest ranked offeror or MHA may choose to re-solicit for the service. The resulting contract will be a fixed fee type contract. The contract terms, except those subject to negotiation, will be in accordance with those provided in this solicitation. Changes in the basic terms of the contract are not acceptable.

4.17 Commencement of Work

The selected firm will be expected to begin work within thirty (30) days of receipt of the Notice to Proceed.

4.18 Cost of Producing Proposal

The costs of producing the proposal are the responsibility of the offeror. MHA will not reimburse any cost incurred to produce and to respond to this solicitation, to participate in an oral presentation, or to participate in negotiations.

4.19 Public Records

Offerors acknowledge that MHA is a political subdivision of the State of Missouri and is, therefore, required to comply with Missouri’s Sunshine Laws. If a proposal includes proprietary data, trade secrets, or information the offeror wishes to exempt from public disclosure, the offeror must specifically label each page containing such data, secrets, or information as follows:

“PRIVILEGED AND CONFIDENTIAL - PROPRIETARY INFORMATION”

To the extent permitted by law, information labeled by the offeror as proprietary will be used by MHA only for purposes related to, or arising out of, the (a) evaluation of proposals, (b) selection of an offeror pursuant to the RFP process, and (c) negotiation and execution of a contract, if any, with the offeror selected.

Neither a proposal, in its entirety, nor a cost proposal will be considered confidential and/or proprietary. Any proposal marked as such will be deemed non-responsive and eliminated from further consideration.

5.0 EVALUATION AND SELECTION CRITERIA

and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

The written decision on reconsideration shall contain instructions that any appeal of the decision shall be addressed to the Regional Labor Relations Officer by letter postmarked within 30 calendar days after the date of the decision. In the event that the Regional Labor Relations Officer was the deciding official on reconsideration, the appeal shall be directed to the Director, Office of Labor Relations (HUD).
